

TEWKESBURY NATURE RESERVE COMMUNITY FORUM

WE ARE LOOKING TO BUILD A COMMUNITY FORUM

- The local community plays a vital role in the work that we do at Tewkesbury Nature Reserve.
- Members of the community forum will be individuals who represent a diverse group of users who have a vested interest in the reserve.
- A community forum will provide Tewkesbury Nature Reserve with an open space and sounding board to collect feedback about proposed plans, projects, or events.
- Commitment to the forum will be virtually, via response to emails/questionnaires, with potential for quarterly zoom or face-to-face meetings.

ABOUT YOU :

You are part of the local and wider Tewkesbury community, you use the reserve, and you would like to have a say in decision making and future projects run by Tewkesbury Nature Reserve.
